

PROWITE™ MOBILE COVID PROTECTION BARRIERS

Protects you, your employees & your customers

PROWITE™ has produced the mobile Covid barrier that is fit for purpose.

Where they are different from others is they are made to a professional commercial standard. PROWITE™ Mobile Covid protection barriers are robust, fully mobile and will stand up to the rigours of constant use & moving about.

They are suitable for any space that requires distancing measures for personal or public protection.

PROWITE™ Mobile Covid protection barriers clear, and made from low-iron super clear toughened glass.

The frame is made from powder coated aluminium and steel powder coated feet with castors.

Chemical resistant against cleaning agents, mineral oils, solvents & alcohol.

Use it & move it

Suitable for use in:

- Cafes
- Schools,
- Shopping centres
- Public passage ways
- Waiting rooms
- Open plan offices

Can be easily placed between groups.

Glass panels can be used as a Whiteboard.
