

CONVO™ Mobile Partitions

Mobile Glass Dry Erase boards - Double Sided

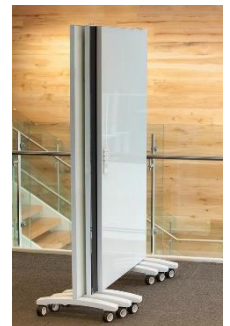

Magnetic

PROWITE™ double sided magnetic glass board, porcelain magnetic or WITAX™ lacquer magnetic surface. We think they look their best with glassboards!

These CONVO™ mobiles nest to save room when not in use. Use as dividers for privacy, communication solution and simply nest away after.

Materials

The mobile frames are a strong curved rectangular-profile tubular steel feet with aluminium profile frame which is finished in black or white. They have 75mm castors for better movement on carpet making them ideal for any classroom or office. When assembled, the units are 1950mm high and 560mm deep, so they fit comfortably through doorways and move from room to room with ease.

Use

Versatile mobile Glass boards as a room divider with the double-sided design to INCREASE YOUR WRITING SPACE. Mobile Whiteboards are a vital tool for presentations & meetings. These mobile whiteboards are ideal for use in the classroom or office. Also, they're excellent for conference room presentations.

Installation

Comes ready to assemble but you only need to fix the feet in place. This is avoid transit damage and these are very simple to set-up requiring only the four supplied screws and two people for the final lifting.

Options

See below for further options that can be used in the CONVO™ system. Put Autex Vertiface Composition acoustic pin board to one side or combine with PROWITE™ porcelain enamel whiteboard or even a WITAX™ Premium Acrylic whiteboard. Or even an acoustic panel both sides for better sound reduction. *You tell us what you would like !!*

Features Include

- Smart aluminium powder coated frames – white or black stocked
