

Markers for Glassboards

Glass dry-erase & liquid chalk markers

Materials

Dry-erase markers – SNOWMAN RBG dry-erase marker pen. Sturdy plastic barrel and felt nib. Refillable cartridge. Made in Japan and of very high quality.

Liquid chalk markers - Fluorescent liquid chalk dry-erase marker pen. Sturdy plastic barrel and felt nib. Push in nib to load/reload ink.

Use

Ideal for bolder writing on Glass boards. Very useful for decorating windows. Fluoro coloured long-lasting markers really bring your new glassboard to life... or use them for your window decorating! Can be used on any non-porous surface. Wipe off with dry or damp cloth. The SNOWMAN RBG markers can be cleaned off easily with a whiteboard eraser.

Extra Features

They're the best markers for use on PROWITE™ Glass writing boards - vivid writing on any colour background. Available in 4 neon colour pack - White, Pink, Yellow & Light Blue. Also available in 8 colour pack with 10mm tip & 7 different neon colours - Orange, Pink, Yellow, Light Blue, Purple, White [x2] & Black. The SNOWMAN RBG markers are available in Black, Blue, Red & Green.

Features Include

Liquid chalk marker with 4.5mm chisel tip, or 10mm wide flat tip.

SNOWMAN Dry-erase markers have a 2 to 3mm stroke width.

Product Care

Cleaning & Erasing

Dry-erase whiteboard markers & liquid chalk markers can be removed by using a simple eraser or damp or dry cloth. Permanent markers can be removed using whiteboard cleaner.
