PROWITE™ Glass Magnetic Boards – Edge2™ Framed

Edge2™ - Clean & Sleek Modern Designer Look

Magnetic

Highest-quality magnetic boards with a safety glass surface. Available in many sizes, plain or printed...

Surface/Produced

PROWITE™ Glass magnetic boards are the ultimate in dry-erase writing surfaces. There is little or no ghosting therefore the ultimate for high use and when you want a board that lasts forever!

Frames

Framed with Edge2™ aluminium frames which have a front edge of only 2mm wide giving a very slick, fine look. They are 12mm deep so work well to butt fabric into it. Available standard in black or white but could be powder coated to a specific colour.

Materials

These boards are produced using low-iron safety glass with a galvanised steel backing. The boards are exceptionally hard, smooth and durable writing surface finish with a 50 year guarantee.

PROWITE™ whiteboards are first when it comes to premium, strength and quality.

Use

The ideal choice for high-use situations eg: offices, classrooms, & boardrooms, as constant writing and rubbing **will not** scratch or wear out the surface.

They work with standard whiteboard markers and clean easily. We also have special glassboard dry-erase markers in fluoro colours that write even more vividly.

Sizes

Same sizes as our frameless Glass Boards drywall.

Installation

So quick & easy to install. It can be easily installed to existing drywall. Fixing Kit included with the Glass dry erase board.

Features Include

- Galvanised steel backing
- Powder coated Aluminum frame – black or white
- 50 year guarantee on low-iron glass surface
- Split rail hidden fixing

Product Care

Cleaning & Erasing

Dry-erase whiteboard markers can be removed by using a simple eraser or dry cloth. Permanent markers can be removed using whiteboard cleaner. DO NOT use abrasive cleaners, these will destroy the surface and void the warranty.

Marker Selection

You can use any writing markers like whiteboard markers, permanent markers, neon/chalk markers. For the best writing experience, we have a range of recommended markers you can use. For more information please contact us.
