Delivery terms:

These apply equally to deliveries to you or your customers (drop-ship). Products dispatched in good faith with bold notices attached reminding recipient to open and check goods before accepting delivery. We make this very easy to do, to ensure ANY damage is identified and noted by delivery drivers, and it entitles you to free replacement or repair. We don't ask you to work out *how* it happened. Acceptance of a delivery affirms items are *in good condition* . On request, we do all we can to expedite delivery, although it is mostly outside our direct control.

Trade only supplied.

Prices listed can be influenced by fluctuations in currency exchange and freight costs and are subject to change. ALEX Distributors will endeavour to keep these prices current as long as possible and give 28 days notice of any changes.

ALEX Distributors will endeavour to fulfil all orders as per the terms of this pricelist. If, however, products are superseded or cannot be supplied we reserve the right to supply alternative product or part of order or cancel the order.
