

Magnetic Glass Boards

PROWITE™ Glass Magnetic Boards

- Magnetic** Highest-quality magnetic boards with a safety glass surface. Available in many sizes, plain or printed...
- Surface/Produced** PROWITE™ Glass magnetic boards are the ultimate in dry-erase writing surfaces. There is little or no ghosting therefore the ultimate for high use and when you want a board that lasts forever!
- Materials** These glassboards are produced using low-iron (ultra-clear) safety glass with a galvanised steel backing. The boards have an exceptionally hard, smooth and durable writing surface finish with a 50-year guarantee.
- PROWITE™ whiteboards are first when it comes to premium, strength and quality.
- Use** The ideal choice for high-use situations eg: offices, classrooms, & boardrooms, as constant writing and rubbing **will not** scratch or wear out the surface. They work with standard whiteboard markers and clean easily. We also have special glassboard dry-erase markers in fluoro colours that write even more vividly.
- Installation** So quick & easy to install. It can be easily installed to most wall substrates.
- Concealed Fixing system included with the whiteboard
- Extra Features** The low-iron PROWITE™ clear glass distorts colours less, so it's ideal for applying colours or graphics to the back. Please ask what we can do to make your space even more vibrant!
- Features Include**
- Galvanised steel backing
 - Magnetic (magnet-receptive) with any proper glassboard magnets (not fridge magnets)
 - 50-year guarantee on glass surface
 - Fixing kit included - Wall fixing kit, instructions
 - FREE 40cm acrylic pen tray with glass whiteboards

... and yes, we can make special sizes to fit your wall space!

... can also supply in any paint colour.

Colours

Our standard colours we stock are: white, black, red, green, blue and yellow. We can produce them also in any Resene colour from clear glass we stock in the standard sizes.

Product Care

Cleaning & Erasing

Dry-erase whiteboard markers can be removed by using a simple eraser or dry cloth. Permanent markers can be removed using whiteboard cleaner. DO NOT use abrasive cleaners, they will destroy the surface and void the warranty. Please don't slide magnets.

Marker Selection

You can use any writing markers like whiteboard markers, permanent markers, neon/chalk markers. For the best writing experience, we have a range of ideal markers you can use (FM445, FM810 or Snowman® refillables). For more info, please contact us.
